

Spend some time with your families to think about what makes our world wonderful.

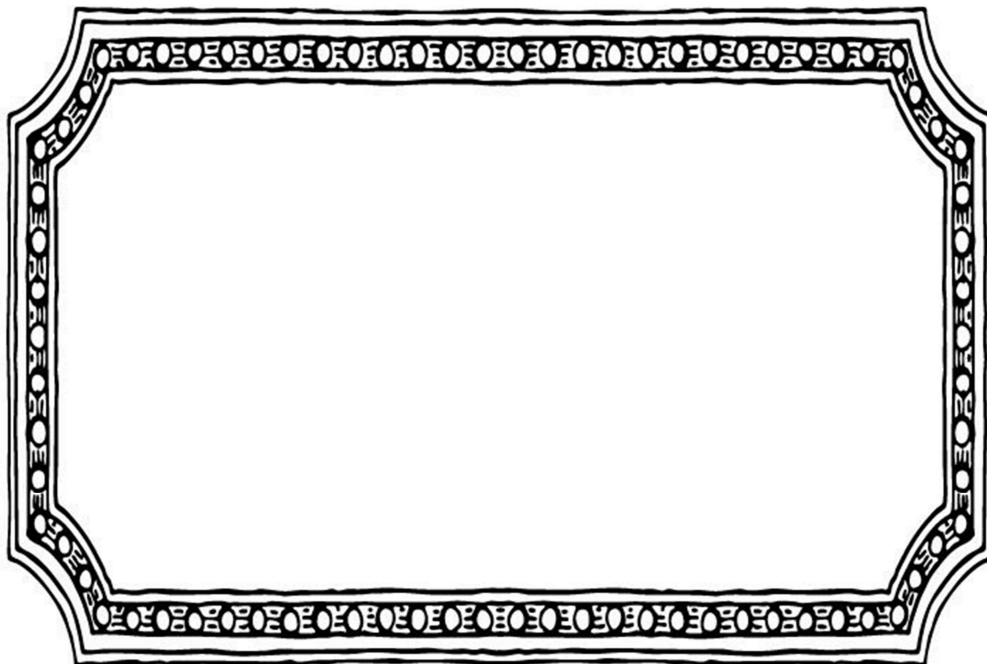

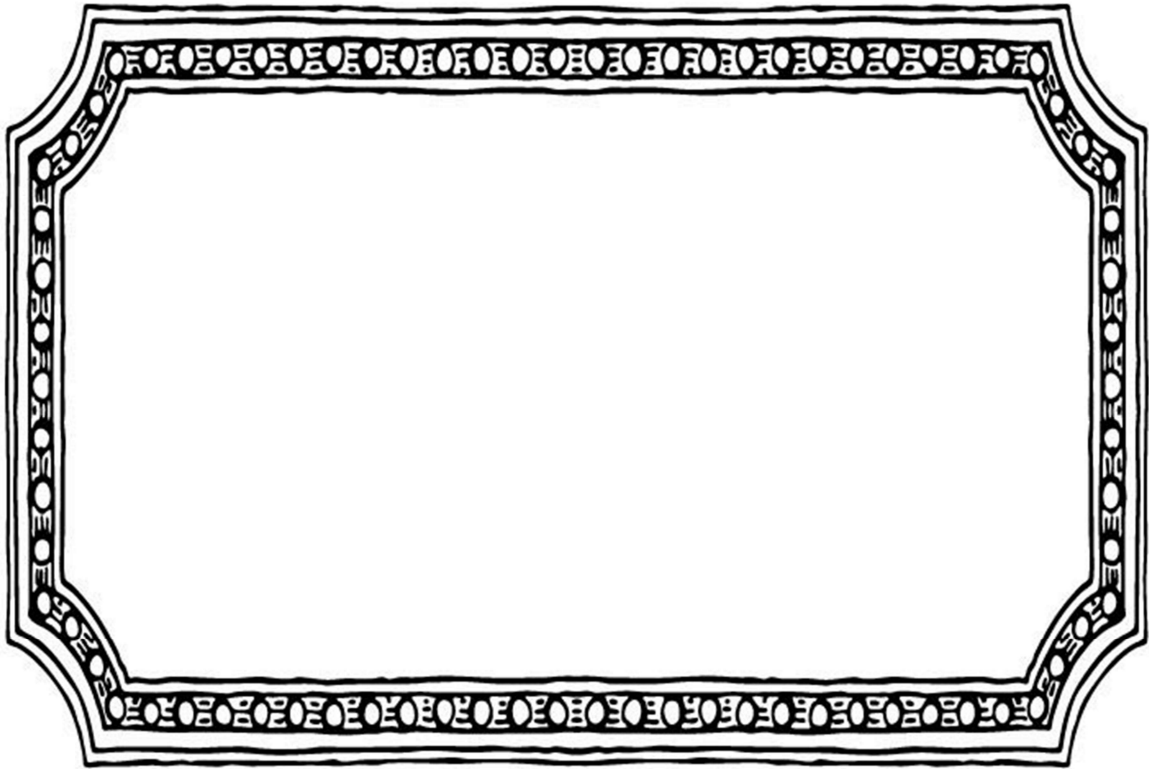

Draw or write your ideas in the space below.

I wonder if you have though the same things as me....

The people

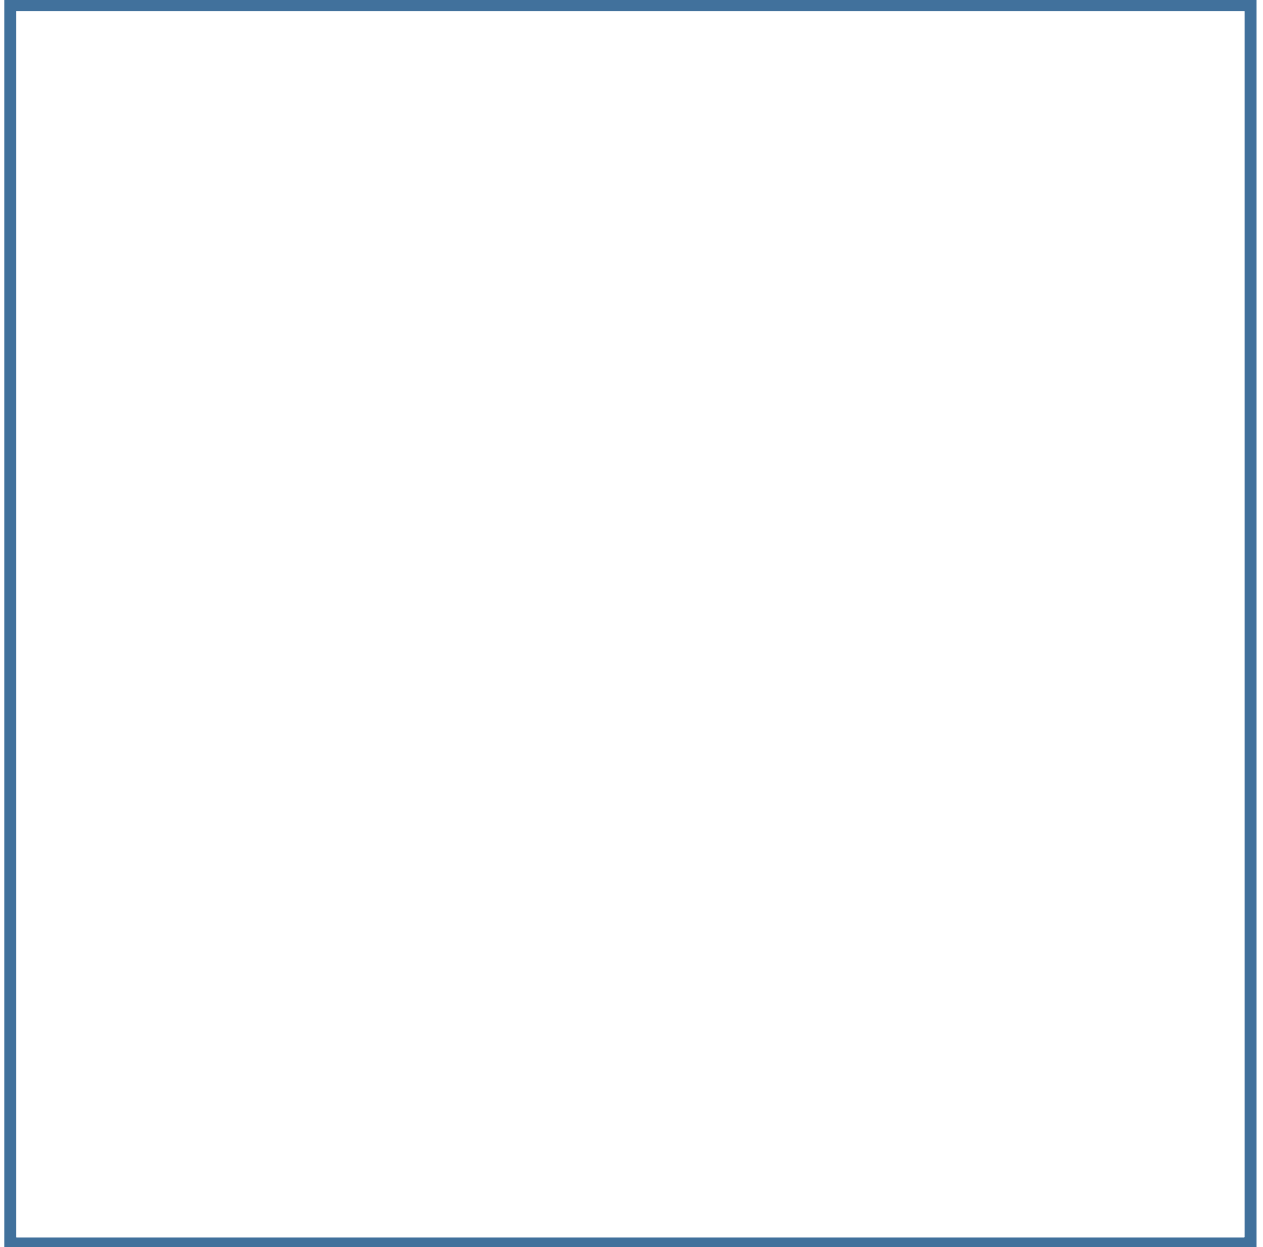

My friends and family

Use the picture frames to draw your family and friends

### The animals

Use the internet or your imagination to make your favourite animal

### The wildlife; bugs, flowers and trees

Why not play pairs to see which of these you can match!  
This is available in your home pack.

## The weather

Do a daily weather report...

**MY FIVE DAY FORECAST**

Meteorologists use math and science to predict the weather.  
Can you use what you know to create a five day forecast?

MON.	TUES.	WED.	THURS.	FRI.

Could you pack for warm or cold holiday?

There is a sheet in your pack or you could get a suitcase and pack your own clothes.
